PROFILE

I am a Programming and Design graduate, born in Bandung on August 4, 2007. I have gained valuable hands-on experience through field work in IT departments. I possess excellent communication skills and a highly adaptable nature, allowing me to thrive in fast-paced environments. I am capable of working effectively both independently and within a collaborative team, with a strong focus on delivering high-quality, design-oriented solutions. I maintain a professional work attitude, a polished appearance, and a commitment to excellence.
